

Leverage Your Makerspace, Unleash Your Creativity!

PHabLAB

Empowering Educators, Engaging Students

NICKERSON

C O R P O R A T I O N

- Does your space support your curriculum?
- Do you have the WOW factor as a place to learn?
- Is the space flexible to fit your needs?
- Are you prepared when something doesn't work?
- How does the staff feel about creating new lesson plans?
- Is your staff trained to run equipment and software?
- Is there a safety plan in place?

Our team is here from inception to finished project and beyond! Packages include:

- Design and Layout
- Furniture & Equipment
- State Approved Curriculum
- Training
- Long-term Support
- NC3 Certification
- Custom Artwork
